

Inaugural Lecture

On August 1, 2017, Vincenzo Esposito was appointed professor at DTU Energy.

We cordially invite you to his inaugural lecture "High temperature materials for energy: they breathe, eat and shake". The lecture will take place on **Friday, 15 December at 3.00 PM** at the Technical University of Denmark in Lyngby, building 101A, meeting room 1, Anker Engelundsvej 1. After the lecture there will be a reception.

Yours sincerely

Søren Linderøth

Head of department
