

Inaugural Lecture

Henrik Lund Frandsen has been appointed professor at DTU Energy.

Now we are happy to invite you to his inaugural lecture on

“Modelling and optimizing electrolyzers across scales”

Friday 30 September 2022

at 15.00-16.00 at DTU Lyngby Campus, Meeting Room 1 in Building 101.

After the lecture, we will host a reception.

Yours sincerely,

Søren Linderøth, Head of Department, DTU Energy
