

Inaugural Lectures

Piotr de Silva and Ivano Eligio Castelli have been appointed professors at DTU Energy.

**Now we are happy to invite you to their inaugural lectures on:
“Atomic-scale modelling of organic energy materials”
“Towards an accelerated design of energy materials”**

**Friday, 25 October 2024 at 14:00 – 16:00
DTU Lyngby Campus, Meeting room 1, Building 101**

After the lectures, we will host a reception.

**Yours sincerely,
Søren Linderøth, Head of Department, DTU Energy**
