

Inaugural Lectures

On 1 April 2019 Anne Hauch and Johan Hjelm were appointed professors at DTU Energy.

We cordially invite you to their inaugural lectures on Friday, 21 June at 2.00-4.00 PM at the DTU Risø Campus, Niels Bohr Auditorium, Frederiksborgvej 399, 4000 Roskilde. First, Anne Hauch will talk on “A 15 year journey with solid oxide electrolysis cells”, which will be followed by Johan Hjelm’s lecture “From electrochemical diagnostics to greener energy storage”.

After the lectures there will be a reception.

Yours sincerely
